The Govt of Mysore, Camp Mysore

Respected Sir,

I, the undersigned Syed Rahmathulla, residing at 1644.45, Kabir road, Manai Mohalla, Mysore, beg to state the following for your kind consideration and favourable orders

I inspected this place on the 14th inst. This requests does not help the slum clearance nor does it and it is not fair to acquire these properties & dispossess the owners in these hard days. The acquisition proceedings shd be withdrawn immediately I noticed that the building adjoining the Mutt was in a dilapidated condition & this could have been got for the Mutt by private negotiation

I beg to submit that my house No 1644.45 has been decided to be acquired by the City Improvement Trust Board, Mysore for giving it over to the Chikkalingaswamy Mutt authorities.

In this connection I submitted my objection to the Trust Board that it would be a great hardship upon me if I am asked to give away the only house in these hard days I stated therein that if my house did not give a good appearance I was ready and willing to ~~xxxxxx~~ construct the building according to the plan approved by the Trust Board This objection statement was ignored and proceeded with the acquisition formalities.

Then I approached your Honour for relief with an application dated 2.5.46 and again in about the 3rd week of July'46 but I am not yet favoured with any endorsement.

When I received a statement from the Trust Board office to give a statement for the passing of the award, I submitted another application to the Chairman for reconsideration

I respectfully beg to state that I have no other house in the City and my family members are residing in the house as this house is convenient to me from all respects, schools are near my house and for my business, it is in a very suitable situation. Moreover there are no grounds whatever for the Mutt authorities to ask for this house as the Mutt was constructed

constructed very recently, about 4 years back.

I beg to remain,
